2. Answer the following questions in 30-40 words.

- a) Why do you think the zebra asks the boy so many questions?

The zebra asks so many questions to the boy in return to the question asked by him. Probably the zebra feels the question is unwanted as there is no answer to the question.

- b) Why will the boy never ask a zebra about his stripes?

The zebra had asked so many questions continuously to the boy that he doesn't want to ask any question to the zebra.

3. Do you think how a person looks is important? Give reasons for your answer.
